

Firm Profile

Eaton & Van Winkle LLP provides a full range of legal services to businesses and people locally, nationally and around the world. We advise and represent business clients in corporate and financial transactions, commercial and international litigation and dispute resolution, maritime, securities, labor and employment, bankruptcy and restructuring and taxation among other areas. Whether your business is still an idea or is a Fortune 500 company, we will help you reach your objectives and solve your problems. Individuals and families look to Eaton & Van Winkle LLP for sophisticated and effective services in the areas of trusts and estates, taxes and wealth preservation. The firm has a reputation for quality and integrity since its founding in 1820.

With attorneys from many disciplines and from large law firms and boutiques, Eaton & Van Winkle LLP has the competence, experience and flexibility to provide to our clients creative, cost-effective and result-oriented advice and representation. From the seemingly mundane to the complex, the firm provides personalized service in all matters and capably undertakes sophisticated transactions and complex litigations and arbitrations in its many areas of expertise.
